Dear Ms Holroyd,

Everybody knows the need to live a healthy lifestyle but did you know that regular exercise can boost your immune system and improve your energy levels by up to 50%? Experts have shown that people who exercise for just 30 minutes three times a week are fitter, healthier and happier. At LeisureTime Plus we want to help you reach this state.

Forget all you might think about crowded, sweaty gyms and sergeant-major fitness instructors with the bark of a bulldog; our staff and facilities are second to none and help to make exercise fun and rewarding. We're not saying it's going to be a walk in the park, but we'll be with you all the way as you travel your journey to a fitter, happier you.

Just think, in four weeks you'll notice your skin will have a new, radiant glow, in six weeks your jeans will be easier to do up, and in twelve weeks you'll be running up flights of stairs without a thought. Sound good? Well just sign up for our fabulous new introductory offer today and this could be your reality.

Call LeisureTime Plus today for more details, we're looking forward to helping find the new you.

Yours truly,

Malcolm Day
